

## **Absentee & Live Online Bidding**

Online bidding is provided by [www.myequineauctions.com](http://www.myequineauctions.com)

### **How My Equine Auctions works:**

1. Go to the website, click on current auctions, click login at the top right, choose sign up now. You will need to create an account if you don't have one for My Equine Auctions already by providing an email address and password. You only need to do this once so be sure to remember your information.
2. Then register to bid for Basin Premier Horse Sale (Get Pre-approved). Click Register to Bid (orange button) on the specific sale you are interested in. This is where you will enter all your information including credit card to be authorized. It will charge your card \$1.00 for authorization then refund it within 7-10 days.
3. My Equine Auctions will be live the day of the sale within an hour before sale time.
4. You can bid live while the horse is selling OR
5. HIGHLY recommended – Place a max bid anytime before the sale starts (absentee bid). You are the only one to know your bid. The system will automatically bid for you against other bidders but not past your max bid once the sale goes live. This is the best choice because every bidders Internet service is not guaranteed or high speed and if your bids weren't able to come in live fast enough it could cost you in not getting the horse you want. However, you can still be online live just incase the horse happened to go past your max bid and you wanted to bid again. At that point, you click to bid. It's really pretty simple.
6. High Speed Internet Required for "Live Only Bidding"
